

# WFBC DISASTER RELIEF INTEREST SURVEY

The Missions Council of Wake Forrest Baptist Church is organized with emphasis in eight major ministry areas: International Missions, Regional/Local Missions, Networks, Children/Youth/Adults, Disaster Relief, Evangelism, Health Ministries, and Deaf Ministries.

Neal Peyton has accepted the responsibility as Team Leader for the area of Disaster Relief. Disaster Relief is broken into three major areas:

1. **Local** – This area will include: tornadoes, hurricanes, ice storms, heavy snow storms, etc. The needs will be chainsaw work, covering damaged roofs, debris clean up, transportation during heavy snow storms and ice storms for those needing medical assistance, medicine, or food.

2. **NC Baptist State Convention/ NC Baptist Men First Responder** – This area will include: serving as a trained member of a region 4 feeding team, a region 4 recovery team (chainsaw work, mud-outs, roof covering, debris clean-up), or a region 4 child care team. Members of these teams can get training within this region. The next training in our region, 4, is March 28-29, 2008.

3. **Cooperative Baptist Fellowship Follow-Up** - CBF does not have first-responder capability at this time. Their focus is on partnering churches who will go in after the first-responder teams to do additional chainsaw clean-up, debris removal, mud-outs, roofing, carpentry, child/elder care, etc.

\*\*\*\* Please note that all of these opportunities are open to both men and women. \*\*\*\*

In this initial organizing process Neal needs to know if you are interested in or would like more information about being a part of Wake Forest Baptist Church's Disaster Relief Team and at what level you are interested in being involved.

*If you are interested in at least considering being a part of this team, please complete the following information form. Filling out this form in NO WAY obligates you to serve! Neal needs to know if there is enough interest to pursue this ministry area. If he receives no responses, he will know! - smile!*
