

Mike Tedder

Mike and his wife Leeann are originally from Tallahassee Florida, where they met while studying at Florida State University. They relocated to Wake Forest in 2008, mainly to escape the inhumane heat and humidity, but also for work. They have been married for 14 years and have a daughter, Lane (9), a third grader at Franklin Academy and a son, Quinn (4) in the Wee School program.

They have been members of Wake Forest Baptist for 10 years. Mike is currently a teacher for The Connection class and leads the CenterPoint Sports outreach team. Mike's passion in ministry is through a hands-on approach via sports and his novice capabilities as a jack-of-all-trades. He also enjoys using his spiritual gift of teaching to help guide others in their Christian walk.

Mike and family enjoy watching their Noles, decorating their house for any and all holidays, and the occasional home improvement project.
