

Ken Stallings

Teresa and Ken have been married 21 years on Jan.24, 2019. They joined WFBC in 2009 and joined the Koinonia Sunday School class right away. Ken has served as a teacher in that class beginning just a few months after joining.

Ken has been president of the Chancel Choir for the past two years and was chairman of the Music Council and a member of the Leadership Council in 2018. He is also a member of the Men's Chorus. Before he became active in the music ministry he served as an usher.

He has two grown children, a son who lives in Minnesota and a daughter who lives in northern Virginia. After years of thinking he would have no grandchildren, a beautiful red-headed baby girl was born by his daughter just five years ago. What a delight she is.

Ken retired early from Sprint where he worked for 33 ½ years in Tarboro, NC, Bristol, TN, and Wake Forest, NC.

He loves to follow the Duke basketball team but his real enjoyment now comes from weekly jam sessions with his banjo buddy. Ken plays guitar and once a week they play and sing for two to two and a half hours. In 2019, a dobro player will be joining them to add to the fun.

Ken may be reached at 919-562-6662 or glassarms@nc.rr.com.
