

Shannon McNeill

Shannon McNeill and her husband Jim have been attending WFBC since moving to Wake Forest in 2008. They have one daughter, Isabella, who is a sophomore at NRCA. Shannon has a lifelong passion for music and feels incredibly blessed to be a part of some of WFBC's music ministries including the chancel choir, adult ensemble as well as serving as a youth choir mentor and leading worship at last year's Ladies Retreat. She has enjoyed being able to travel with the youth on youth mission trips and youth choir mission trips as well as to New York City with the Chancel Choir. Shannon is currently serving on the Long Range Planning Committee. When Shannon began attending The King's Daughters Bible study 10 years ago, she did not know that God would eventually allow her the opportunity to facilitate. This has been a ministry and a group of women that have become very dear to her heart and one through which she attributes to deepening her faith and relationship with Christ. In her spare time, Shannon enjoys playing tennis and hanging out with her family at home, the beach or on the golf course.
