YOUTH

What is Ignite and Youth on Missions?

Ignite is the Wednesday Night small group ministry for our youth. Each Wednesday night, after dinner, our youth will split into small groups to share in discussions about issues that they deal with as teens and learn how to apply scripture and faith to their daily lives. Once a month, all of the Ignite groups will join together for a community service project called Youth on Missions.

Ignite and Youth on Missions meets every Wednesday Night at 5:30 (for Dinner) in the Fellowship Hall and 6:15 for Small Groups in the Youth Center.

Our Ignite Groups are: High School Girls, High School Guys and Middle School.

Lord, Change Me

Led by Bill & Kathy Slater
Room A109

Based on the best selling classic by Evelyn Christenson, this 5 week study led by Kathy Slater and Dr. Slater will focus on how to rediscover the life you've always wanted with a focus on prayer. This study changed Kathy's life and marriage and you are invited to a changed life as well.

Praying in Color **Led by Nancy Lilley** **Room A119/120**

Does your mind wander during prayer time?

Are you a word weary pray-er?

Do you promise to pray for others and then don't know what to pray for?

If you answered "yes" to one or more of these questions, join us for "Praying in Color" - an active, meditative prayer practice that is both process and product. No artistic talent required!! Paper and colored pencils will be provided or you are welcome to bring your own.

How Do I Read My Bible **Led by Todd Berger** **Room A110**

The Bible is God's Word to us. How then should we read it? Join us as we walk through this important topic. Each week will cover a different topic such as what the Bible is, how it has been interpreted through history, and particular reading methods such as inductive study and *lectio divina*. This study should be informative, but we also hope it will be transformative for you in your walk with God.

Quilting Ministry **Led by Alice Leonard** **Room 133**

Are you interested in the Quilting Ministry but cannot come during the day? We have the solution—Wednesday nights! You do not have to know how to sew to be a part of this group. We will teach you what you need to know to be a part of this amazing ministry. The quilts we make are sent to many areas in the U.S. and to Uganda. If you want more information, contact Alice Leonard at aleonard@nc.rr.com or 919.274.2635.
